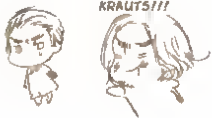
AIN'T NO INTELLIGENCE OPERATIONS JUST TO KILL TIME
WELL, I'VE GOT SOME FREE TIME, I MAY AS WELL SPREAD SOME TERRIBLE RUMORS ABOUT GERMANY

FRANCE ONII-SAN AND INFORMATION MANIPULATION ACTIVITES!

France and England are good at spreading false information

AH, VERY
DEAR
GERMANY'S
BEEN GOING
SOME REALLY
VICIOUS STUFF
BEHIND THE
SCENES
UNFORTUNATELY
OH MY
GOSH!
GERMANY'S
SO SCARY!
GASP!
HAHAHAHA!
NOW I'M
THINKING
SHE RUNTS
ABOUT
GERMANY
WILL STILL
GRADUALLY
MAKE THEM
WAY
SMALLER
AH, HAVING
TIRED IT
THIS PLAN
SEEMS TO
WORK
SURPRISINGLY
WELL
NOW, LET'S
THINK OF
SOME FOR
ITALY!
EHP
WAIT
A
MINUTE!
I KNOW
HE'S KIND
OF DUMB,
AND HE'S
WEAK AND
USELESS
BUT
HE'S NOT
A BAD
PERSON!
HE REALLY
ISN'T!!
SERIOUSLY
HE'S NOT
A BAD
PERSON
W
WHAT'S
THE
MATTER,
FRANCE?



Speaking of which, France kept insistently nagging on Germany but,

Although made fun of Italy for being dumb he didn't say much else

All through the war England and France made up horror stories
and leaked them to the rest of the world which actually worked
very well to stirring up outside criticism against Germany Some
of the tales of German wickedness that still circulate today originated
as English and French propaganda and were formally apologized for following the war (" ∀ ")

Incidentally, when simple ol America heard the variety of
"Germany's (fake) Tales of Evil (by France and England)"
he shouted "I won't forg ve someone who does rotten things like that!"
and rushed over to support England

That era s America was still very America-like wasn't he?(― ")

□They try feeding them to Italy as well□

EUP
FOR THE TIME BEING ENGLAND DECIDED TO SPREAD SOME BAD RUMORS ABOUT GERMANY
SO GERMANY TOLD ME HE HATES YOU.
?
YEAH, HE SAID IT WAS BECAUSE YOU'RE A HALF USELESS KLUTZ AND YOU CAN'T DO ANYTHING BY YOURSELF
HE DOESN'T WANT YOU TO HANG OUT AT HIS HOUSE ANYMORE, APPARENTLY
GERMANY DO YOU HATE ME?
SO YOU SHOULDN'T STOP PALING AROUND WITH-
YOU'RE GOING TO GO RIGHT UP AND ASK HIM?
HUM WELL SEE.
I DO NOT
HATE YOU LUM.
HANG IN THERE
Really? I'm so happy!
I FEEL EXTREMELY FRUSTRATED SOMEHOW
THAT PAIR IS SO CLOWNY THEY GET ON MY NERVES

□Don't they open their eyes?□

There was a Web-Clap Comment that asked me about Italy's eyes,
so I thought I should try drawing them with their eyes open once in a while
Speaking of which Italy's only had his eyes open once or twice
